- Phone - 03 9214 0660
- Email - childsafefoffice@hrv.org.au

Refer to **Appendix A: Resources for Children and Families** for an easy-to-understand Flowchart on Child Safety Reporting Process and Children's Rights poster.

5.4. How HRV responds to a complaint or concern?

HRV takes a trauma informed approach to handling complaints, so that children, families, staff, volunteers, and anyone involved participates in the complaints and investigation process without causing further trauma.

Step 1: Receiving a complaint

- If the complaint was initiated by a child/young person, they will be asked:
 - What would make them feel safe;
 - How involved the child wants to be in the complaints process;
 - The extent to which they want their parent/carer/ guardian to be part of decisions.
- The disclosure will be dealt with sensitivity by HRV staff and volunteers;
- HRV Staff and Volunteers are also trained in identifying indicators of child abuse or harm, helping them be proactive and reduce reliance on children to disclose abuse.

Step 2: Recording the complaint

- **HRV staff/volunteers who receives the disclosure must report to HRV's ChildSafe Office immediately.**
- The complaint is recorded in the Child Safety Complaints Register along with other records so that there is a full account of how the issue arose. For more information, refer to section 6 Records of the Child Safety and Wellbeing Procedure.

Step 3: Initial Response and Risk Assessment

Depending on the nature and seriousness of the complaint or safety concern, HRV will take the following immediate actions:

- Administering first aid and/or calling 000 for an ambulance and following any instructions from emergency service officers/paramedics (where required);
- Calling 000 for urgent Victoria Police assistance for concerns that are life threatening or posing an immediate risk to the health and safety of anyone;
- Informing the child's parents and carers about the complaint or safety concern, unless the disclosure is related to abuse within the family;
- Considering if evidence needs to be immediately secured (for example, CCTV footage, emails, downloads) to preserve any future investigation;

To manage further risks that could be posed by the subject of allegation, HRV will take immediate action(s) such as:

- Restricting/not permitting the subject of allegation to have contact with children;
- Altering their duties.

Step 4: Reporting

HRV's Child Safe Office shall report the incident to the following external authorities:

- **Victoria Police:** If there is an alleged or suspected criminal conduct that involves any of the following:
 - Imminent or immediate danger;
 - Physical or sexual abuse;
 - Family violence, whether or not a child has been physically or sexually abused.
- **Child Protection / Commission for Children and Young People(CCYP):** HRV is not obligated to report to Child Protection (as per [Mandatory reporting obligation](#)) or CCYP (as per [Reportable Conduct Scheme](#)). However, if reasonable belief is formed that a child has suffered or is likely to suffer significant harm as a result of abuse or neglect and their parent has not or is unlikely to protect them from harm of that type, then HRV will contact [Department of Families, Fairness and Housing \(DFFH\) Child protection](#).
Child Protection Emergency After Hours Service Number - 13 12 78.

Step 5: Providing ongoing support

HRV shall offer support to children and/or their families by making referrals to recognised support services which may include those listed below, after discussing this with the children and/or their families:

- Family services through [The Orange Door](#);
- Organisations specialising in supporting victims of abuse and complex trauma such as [Blue Knot](#) and [Centres Against Sexual Assault](#);
- [Victims of Crime Helpline](#);
- Telephone and online support services like [Lifeline Australia](#), [Kids Help Line](#), [headspace](#) and [Beyond Blue](#).

When a complaint is raised against an employee or a volunteer, the investigation shall be undertaken in accordance with employment law obligations. Counselling and wellbeing support via Employee and Industry Assistance Program currently provided by Benestar is also available to staff and volunteers who are the subject of an allegation or are part of the complaints process.

Step 6: Investigation

If HRV has made a report to Victoria Police or Child Protection, no investigation shall be undertaken without consulting these authorities, due to the risk of negatively impacting future police action or putting the child at risk. However, HRV shall cooperate with Police, or Child Protection, in providing support and assistance to identify and contact witnesses and gather or retain evidence. Consultation/Interviews may be conducted by HRV (in addition to interviews from police and/or child protection) with the intent to hear from the child directly and to help make them feel safe. During the investigation:

- Care will be taken to provide the child with information suitable to their age or level of comprehension;
- Reasonable adjustments such as access to interpreters will be provided to children and their parents/carers to help them fully participate in the complaints process;

Step 7: Outcomes and sharing information.

- Outcome of the investigation, including decisions reached in relation to the investigation and resolution, and the action taken, will be communicated to all relevant parties, considering privacy and confidentiality requirements;
- If the complainant or the subject of the complaint is not happy with the outcome or handling of the complaint:
 - They can request for an Internal review by contacting HRV's CEO directly in writing, addressed to: CEO, Harness Racing Victoria, PO Box 184 Moonee Ponds 3039;
 - Proceed for External review: Children and/or families can contact [CCYP](#) for reviewing complaints and overseeing the handling of allegations of reportable conduct.
